...

The Medical Officer, L.F.Hospital, Beltangady sent his annual indent on Medical Stores Depot, Madras for Allopathic drugs to the District Medica Officer, S.Kanara on 5-10-45 and it was received in this office only on 1-3-1946 duly approved by the Dt.Medical Officer, S.Kanara. While sending the above indent and indents of other Medical Institutions in F.Dis.129-46-E/25-2-46 the Dt.Medical Officer, S.Kanara stated that there was some delay in passing those indents as they were inadvertently mislaid in his office.

2. On 8-3-46 the Medical Officer, L.F.Hospital, Beltangady intimated that he did not get the drugs from the Medical Stores Depot, Madras till then though the indent was sent in October 1945 and requested sanction for the local purchase of certain drugs which were quite essential for immediat use and the Medical Officer was in this office Rc.No.4177-A4-46 /9-3-46 informed that the indent on the Medical Stores Depot received from the Dt.Medical Officer in March '46 has been sent to the Medical Stores Depot for supply of drugs and he was further directed to send an indent for the local purchase of the drugs which are required for immediate use until the stock is received from the Medical Stores Depot, Madras.

3. The Dt.Medical Officer, S.Kanara was also requested to intimate the circumstances in which the indent was delayed in his office depriving thereby the usual supply and allowing the institution to suffer for want of drugs. The Dt.Medical Officer, S.Kanara in his F.Dis.208-DB-46 dated 15-3-36 stated that the delay caused in his office in transmitting the indent was regretted and that necessary disciplinary action was taken again the staff responsible for the delay. In this N.Dis.212-46 dated 15-3-46 he also recommended the local purchase of certain drugs costing about Rs. 100/- for the use of L.F.Hospital Beltangady.

P.T.O.

4. Drugs of the total value of Rs. 80-7-0 were purchased by the Medical Officer, Beltangady from the cheapest source against Rs. 100/- sanctioned for the purpose and the value thereof was paid for in May 1946.

5. The Dt.Inspector of L.F.Accounts, S.Kanara, has in his objection statement for the month of May 1946 (item 14 - extract enclosed) called for the sanction of Government for the local purchase of the drugs referred to above as such purchases are permissible only in cases where medicines are not available at the Medical Stores Depot, Madras.

6. I, therefore, request that Government may be pleased to approve the local purchase of the drugs costing Rs. 80-7-0 as it was made in the best interests of the L.F.Hospital, Beltangady.
